

ATC CLASS CONSOLE

CONNECTED TECHNICAL FURNITURE

www.ctfconsoles.com

Designed for critical performance environments, CTF's Air Traffic Control Consoles combine sleek aesthetics and functionality to support 24/7 air traffic operations. Built for high-intensity control rooms, our ATC consoles are ergonomically optimized to maximize operator efficiency and decision making.

Engineered to ensure precision, comfort, and durability, our ATC consoles set the standard for air traffic management.

MATERIALS

Powder coated mild steel and HPL

FINISH

Powder Coated

GENERAL DIMENSION

- 1800mm L x 1200mm D | Single Operator Console
- 1300mm L x 1200mm D | Single Operator Console

FEATURES

**Pull out computer
CPU shelving.**

Modular Console with
one or two monitors
per operator.

The Console comes complete with
**fully integrated brackets capable of
supporting monitors** which can be
easily adjusted to suit the operators.

The Console has been **designed with heat dissipation in mind** and has multiple air vents.
