# E CLASS CONSOLE

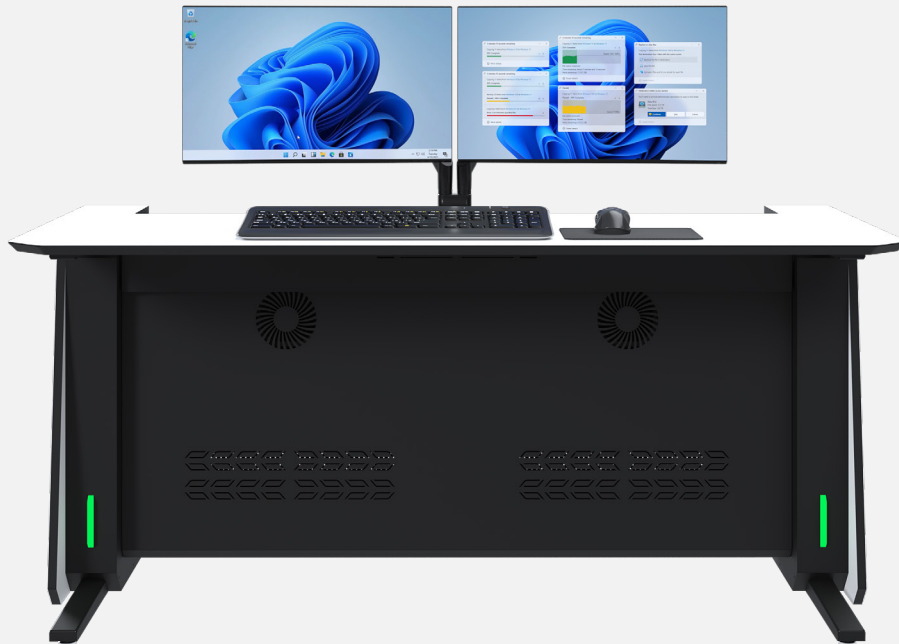

CONNECTED TECHNICAL FURNITURE

[www.ctfconsoles.com](http://www.ctfconsoles.com)

The standard for small to medium enterprises, a very capable console where footprint is an issue and there isn't a requirement to house a large number of workstations.

## MATERIALS

Powder coated mild steel and HPL

## FINISH

Powder Coated

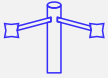

## GENERAL DIMENSION

- 1200mm L x 750mm D
- 1600mm L x 750mm D

# FEATURES

---

Scalable straight configuration modular security desk consoles fitted with **height adjustable 2-monitor tilt-swivel & swing desktop monitor brackets for up to 24" size monitors** on standard VESA mount fitments.

Adequately provisioned **ventilation slots within equipment compartment panels** allow for a more homogenous natural ventilation effect on air distribution flow within the internal equipment compartment.

**Led lighting** at both ends with touch pad to adjust brightness.

**Pull-out computer CPU shelving** provisions at front and rear panel doors with harness straps.

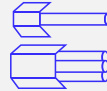

**The Console has a discreet channel** duct which allows for easy cable access.

**Integrated under-the-table equipment cabinet** provides a secure storage compartment for computer workstations and vital control equipment from within the desk console unit.

Main frame and sub sections are **constructed out of mild steel tubular and sheet plates**, powder coated to a textured matt finish. Work surfaces are HPL panels with perimeter rubber edge lipping all around.

**Built-in slotted cable management system** within main frame carcass and bottom panel.

**Pre-engineered modular construction design**, flat-pack profile for complete bolt-on assembly at site.

**Locally designed and  
manufactured in Dubai using  
materials of the highest quality  
and the latest machinery.**
